

Freestanding Models- Propane

An important part of the buying decision is efficiency – take the time to learn about fireplace efficiency to match the unit aesthetics and heat output to make sure it fits your needs. The best way to determine the efficiency of a gas fireplace is to look on the EnerGuide label for its Fireplace Efficiency (FE) Rating based on the CSA-P.4 test method.

		Model Number	FE
EnerChoice Rating			>66.0
Blaze king	Blaze King Torino	TORINO1605	70.5
